May not need all of it. I have a hard stop at 6 tonight. Plus, hopefully we are adulterated on taxes for this.

Steve et al.— we just received the attached comments from the OCSPP IO (Erik B may be sending more) on the asbestos SNUR FRN. We need OGC to please review these ASAP Monday (I hope that is possible?) to help sort out what edits are ok and those that may be problematic.

We can touch base Mon AM.

Hi Susanna - the comments on page 1 and 18 are a bit cutoff so can they rescan/send? And so I understand things, these are comments just from Charlotte and the rest of OCSPP IO comments are coming Monday?

Hello,

Attached are handwritten comments from the AA's office. We were just given these this afternoon and I think there are some substantive comments here. We will let the OPPT IO of the timing of this and that you all will do what you can to get these done, with the understanding that it is 5 on Friday afternoon.

Thanks,
Susanna
